Subject: Approval of the Application for Transfer of Notice of Intention, Small Mining Operations, United Minerals, LLC, TRC Mine S0150098, Emery County, Utah

Dear Mr. Toma:

On February 24, 2009, we gave you a letter approving the transfer of the TRC mine (S0150090) from TRC Minerals to United Minerals. The permit number used on the letter was S0150090, but because the reclamation contract and letter of credit both use permit number S0150098, we have decided to change the number to S0150098. All other aspects of the letter still apply.

I apologize for this confusion. If you have questions, please call me at 801-538-5261. Thank you for your cooperation.

Sincerely,

Paul Baker
Minerals Program Manager
